

Solutions
for Modern
Living **z|e|v|R|O**[®]

2014 Collection

MISSION STATEMENT

ZEVRO® is committed to developing fresh and innovative approaches to '**Functional Design**' for the home.

We allow more time to savor the culinary experience by providing stylishly unique items that make cooking and entertaining more efficient, interesting and fun.

Throughout each category, ZEVRO® provides innovative **Solutions for Modern Living**® with **quality** and **style** that will become **Indispensable** parts of the home.

ABOUT ZEVRO®

From our beginning in 2003, retailers, consumers and the media have viewed ZEVRO® as an innovator.

As the first company to introduce the Indispensable® Dispenser line to the home based consumer, ZEVRO® has been inspired to create an entire product line built upon the concept of style and function, combined with quality and added value.

Today, ZEVRO'S® products are recognized worldwide for their unique benefits such as, Portion Control for health and weight management, Food Preservation to help eliminate waste, Space Saving design to create a more convenient work area, and easy, sensible organization.

Always moving forward, ZEVRO® continues on the quest to provide our customers with new, always innovative, beautifully designed, value priced products that can and will be enjoyed for many years to come.

ZEVRO® - Solutions for Modern Living®

All food containers in the ZEVRO® collection are BPA FREE and help to preserve food freshness to decrease waste.

The Gravity Shaker™ has three functions in one elegant design

Measure up to one ounce with the integrated jigger on top of the lid

Add ice, replace lid, and shake for the perfect blend

No need to remove the lid

With a simple twist of the shaker base, your cocktail is released into your glass

Twist the base in the opposite direction to stop the flow

Sophisticated, simple, and fun

Be the Star of Your Bar

Wine Aerator & Stopper™

Professional Bar Gear

WIA100 Wine Aerator & Stopper™

Open your favorite bottle of wine and insert the Wine Aerator & Stopper

Pour and listen to the wine aerate through the built-in steel mesh, which screens out sediment and cork

The WIA100 is designed for a Drip-Free pour

Top pin acts as a stopper to seal in freshness and flavor

Pocket size for dining out or use at outdoor events

Easy to clean

Also available in a space-saving counter display unit with 18 pieces

Wine Aerator & Stopper II™

Professional Bar Gear

WAS100 Wine Aerator & Stopper II™

Zevro's® imagination did not stop with our top selling WIA100

We've brought it up a notch or two by designing a more elegant, all-in-one, pourer, aerator and stopper

Open your favorite bottle of wine

Place the Wine Aerator & Stopper II into the wine bottle

Pull the stopper tab back to open

Pour and you will clearly see and hear the aeration of the wine

Push the stopper tab forward to re-seal

Enhances the flavor and aroma of each glass poured

The perfect gift for the wine aficionado

Portable, pocket sized, and easy to clean

Also available in a space-saving counter display unit

Available Summer 2014
